

# MATRIX

Leading innovation

## MATRIX FRAME

A new generation of  
secured key control systems

**CONTROL YOUR KEYS**

**PROTECT YOUR ASSETS!**

# MATRIX FRAME

The new FRAME model is an advanced key control system which offers maximum security in a luxuries design of a flat TV

Unlike other systems where anyone who opens the front door can tamper or steal any key in the cabinet, MATRIX protects each key in a separate locked compartment with no ability to access without manager permissions

In addition, every operation made is video recorded for future monitoring

MATRIX software contains many advanced and unique features allowing you to stay in full control over keys usage in your organization

The system arrives with a large 10.1” touch monitor and voice guidance as standard making the operation extremely easy

- ✓ 200 keys (extendable)
- ✓ Sealed compartments
- ✓ Video records
- ✓ Real time alerts

- ✓ Easy to use
- ✓ Voice guidance
- ✓ Remote connection
- ✓ DMS integration

# SYSTEM SPECIFICATION
